(iii) The Mentor - Discipler

c. Mentors invest, influence and impact the mentoree's life.

They “ADD VALUE” to the particular aspect of the mentoree's life for that season.

(iv) The Mentoree

a. A mentoree is someone who will posture himself / herself to learn and to receive from the mentor, inputs into areas of his life and ministry.

(iv) The Mentoree

b. A mentoree may have different mentors for different “**NEEDS**” of his life.

Benefits of Having a Mentor

**You may be good and even better than
everyone else.**

**But without a coach-mentor,
you will never be as good as
you could be.**

Benefits of Having a Mentor

I can go farther and faster
with someone coaching me
than I can on my own

An effective coach does not need
to possess more skills than
the person he is coaching.
It is what he sees that counts.

Benefits of Having a Mentor

A good coach assess
your performance vs your potential

Coach =

Counselor + Consultant + Mentor

A Coach

OBSERVES, INSTRUCTS, INSPIRES.

has come for my departure.
I have fought the good fight,
I have finished the race,
I have kept the faith.
