Homemakers and Retirees

Father God, I thank you that I am deeply loved, completely forgiven. You have placed me to be a homemaker or as a retiree. I pray that you will help me to always have a sense of your calling for my life, that nothing that I do at home or in this phase of my life is wasted. Help me to know my identity as a son/daughter of the most high God. And help me to continue to discover and to fulfill your purpose for my life. In the task and responsibilities that you have given to me, help me to be faithful to discharge them to be a blessing to my family to my friends and to those who you bring across my path. Grant me the grace to do so in utter dependence on the Holy Spirit. For every meal I cook. For directing the kitchen. For caring for my spouse and children. For all the details in the household. All the coming in and going out of every member in the family. Of all those who live in the same household, help me to be sensitive, to be alert, to be vigilant, to every relationship. Lord give me wisdom and favor to live my life happily with joy with strength as a homemaker, as a retiree to live healthily for your glory in Jesus name. Amen.

Marketplace

Father God, I thank you for my job, for my salary, my bonuses, my commission and my sources of income. I Thank you Lord that I have a job that may become a career. But whatever that is as a platform where you have placed me in this season of my life, help me to know your will in increasing spiritual understanding and spiritual wisdom, to lead my life worthy of you and worthy of your calling. To be an effective salt and an effective light in the places of my work, in the marketplace. To be your instrument, to influence and impact my colleagues, suppliers and all who are connected with me in the marketplace. Help me to recognize your arrangements of divine appointments and divine connections. Guide me Lord to do divine conversations. Help me to be competent in my work. Help me to excel in my work. Help me to do well for your glory. I commit myself to you even as I work in the marketplace to find joy and fulfillment and success for your glory. In Jesus name. Amen.

Students

Father God, in this season as a student, help me to study hard and work hard. Help me to have a firm grasp, to have knowledge, clarity of every subject, of every module and to do well. Help me to pay attention in classes and in tutorials. Help me to go through the tutorials and examinations and to do very well, to excel in my studies for your glory. Help me not to be distracted and to enjoy this phase of my life. Of friends, of fellow students, of the community that you have placed me in, to go through this season successfully for your glory in Jesus name. Amen.
