BEFRIENDING PROJECT

Bethesda Care Services will be launching a Befriending Project from July 2020 to help at least 100 elderly residing in eastern Singapore to age well physically and cognitively.

This project requires at least 50 teams of volunteers who have the passion to adopt an elderly either at the individual level or cell-group level (maximum 3 volunteers per team) for at least six months. All volunteers will be trained to conduct tele-conversations and house visits with the elderly in the short term; as well as to conduct simple exercises with the elderly in the long term.

Interested applicants can write to Veronica at veronica@bethesdacare.sg.

PARENTING FROM THE TREE OF LIFE

For parents with children aged 3 to 12 years old

Parenting from the Tree of Life places its emphasis where it belongs - on Life. In the beginning, God placed two trees in the Garden of Eden: The fruit of Tree of Life leads unto Life; the fruit of Tree of Knowledge of Good and Evil leads unto death. This course reaches back to that first tree that follows the message of Life to present day parenting.
