After resigning, a woman came to BHZ weekly for prayers, seeking God's open door and favour for a new job.

Within 3 weeks of submitting her resume online, she was contacted for an interview.

God's favour was upon her! She got the job, was offered a higher salary, and the work location is very near her home. The company even allowed her to take time off for her medical checkups (due to health conditions) whenever she needed to.

"This is really a miracle and favour from God and only Father God can make this happen. All glory to God! Amen!" -
