TOTAL REMOVAL of pancreas and spleen, half a stomach, one-third of small intestine, appendix. No gallbladder.

1 King 17-18 & Genesis 22

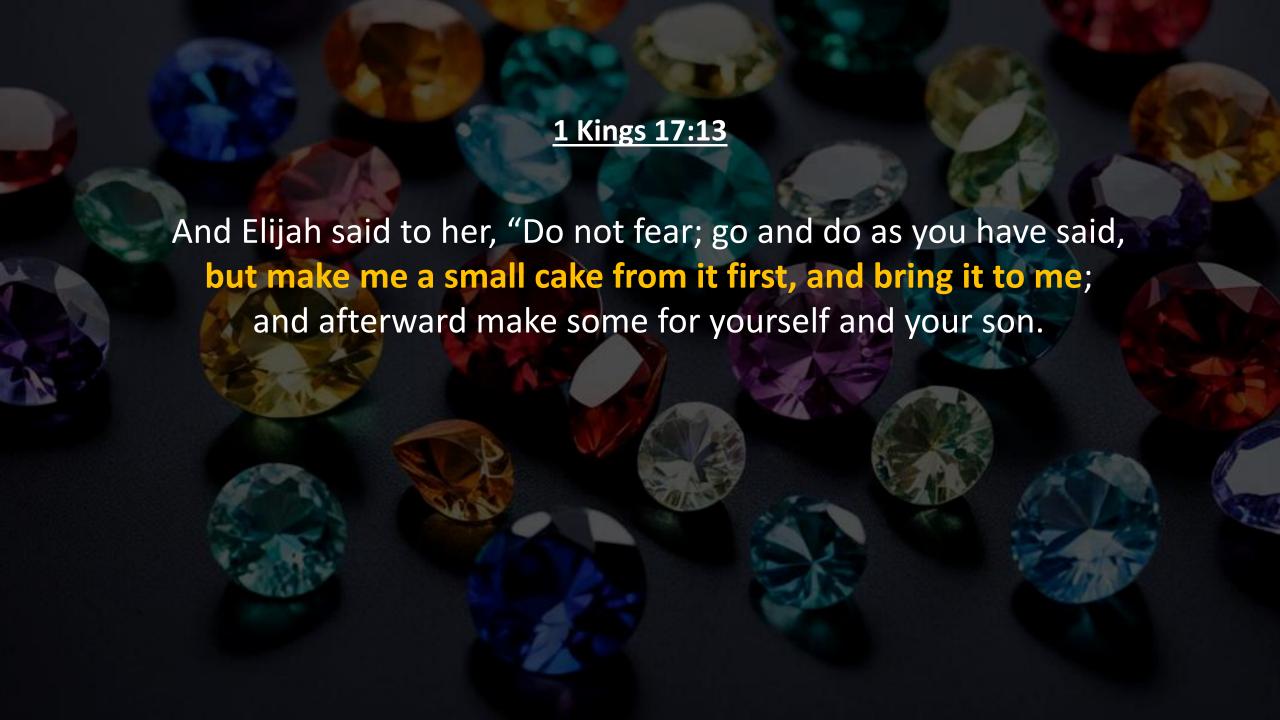

2 Corinthians 9:7

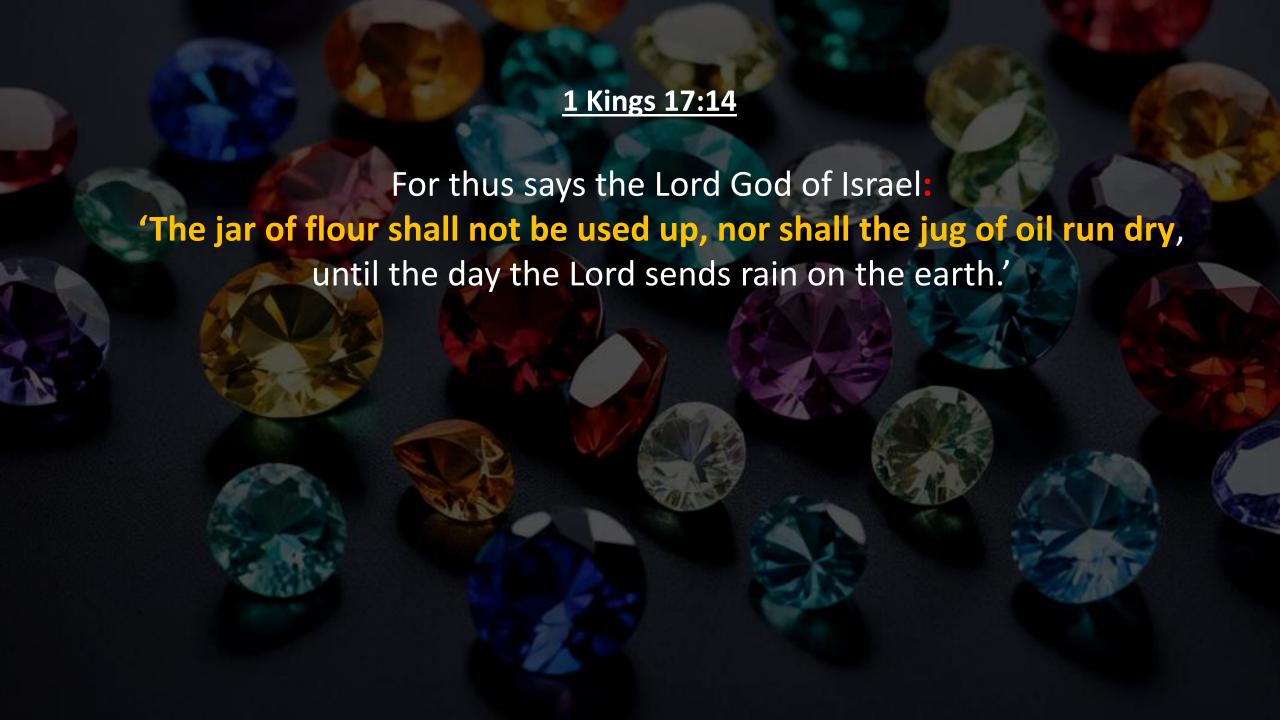

Pastor Don Wong

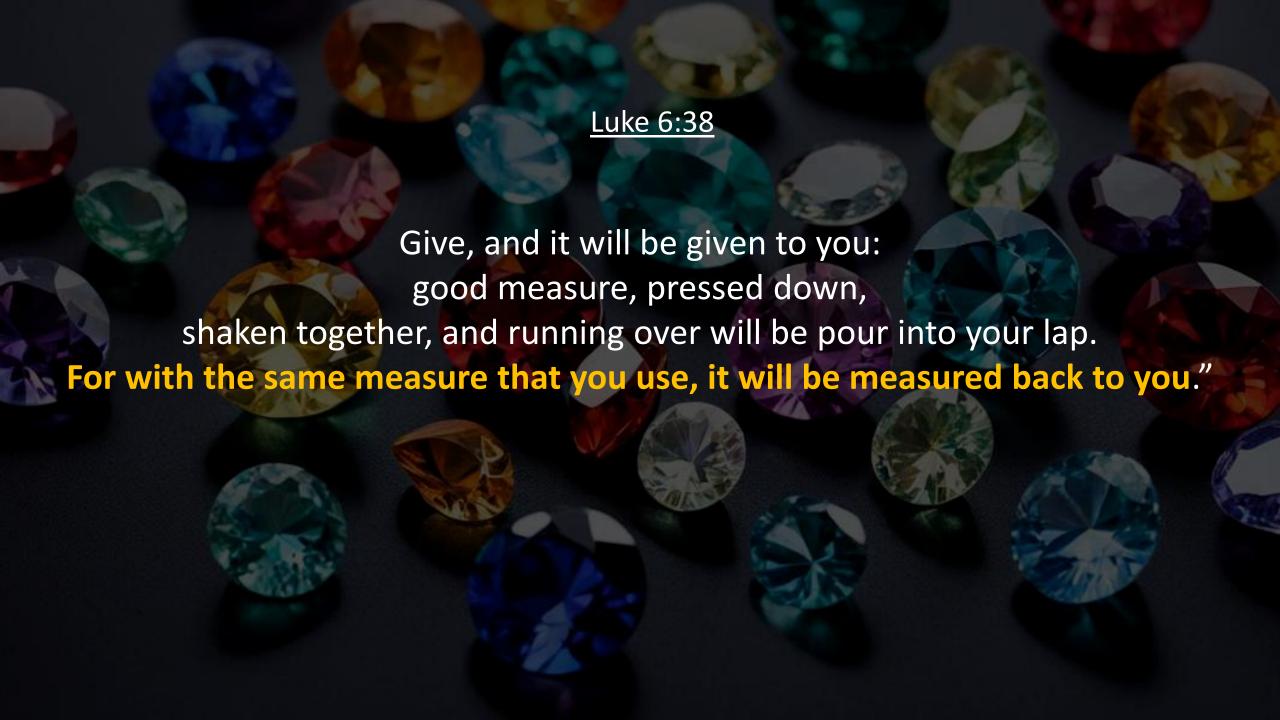

1 Kings 17:10-12 NIV

So he arose and went to Zarephath. And when he came to the gate of the city, indeed a widow was there gathering sticks. And he called to her and said, "Please bring me a little water in a cup, that I may drink." And as she was going to get it, he called to her and said, "Please bring me a piece of bread."

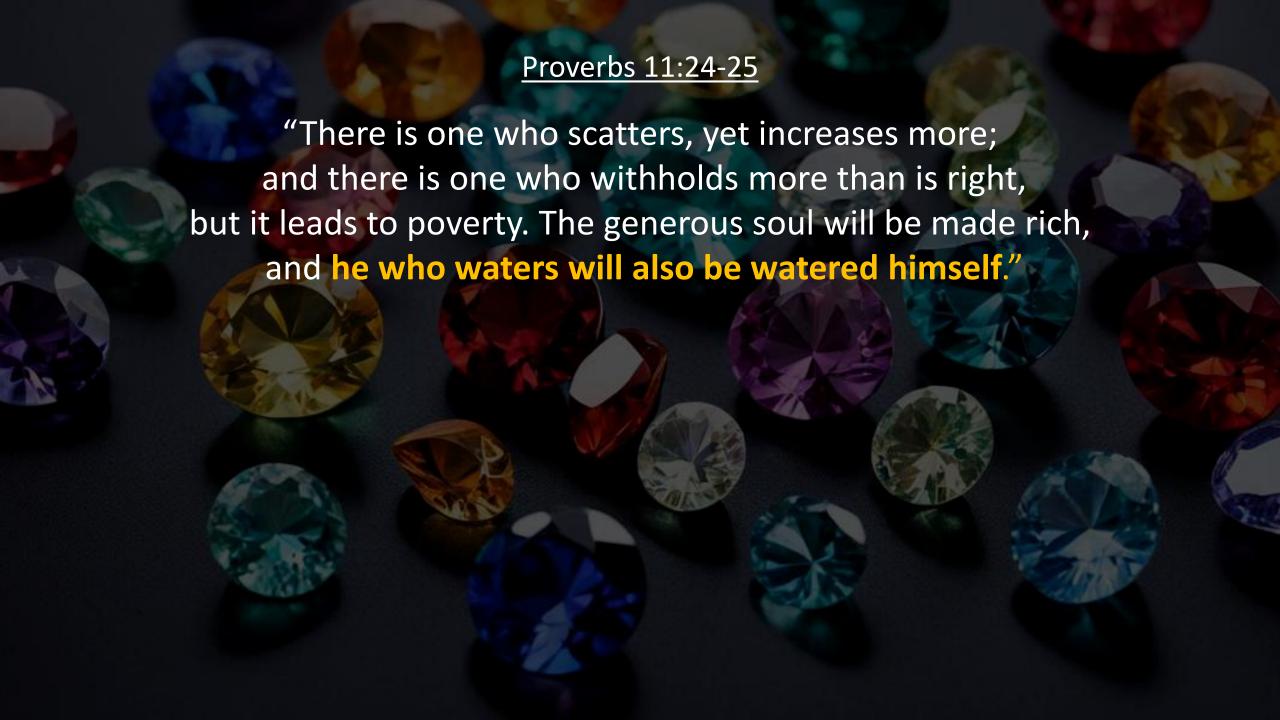

So she said, "As the Lord your God lives, I do not have bread, only a handful of flour in a jar, and a little oil in a jug; and see, I am gathering a couple of sticks that I may go in and prepare it for myself and my son, that we may eat it, and die."

OUR JOURNEY

Empty hands. Full hearts.

Our first gathering in 2006 began with three nights of fervent prayer. It ended with a God-given vision received with trembling hands and ecstatic hearts.

Seven Years. Nine Moves.

The moves were many but the growth of our faith was great too. We learnt to lean on him and be grateful every step of the way.

A new vision. A bigger home.

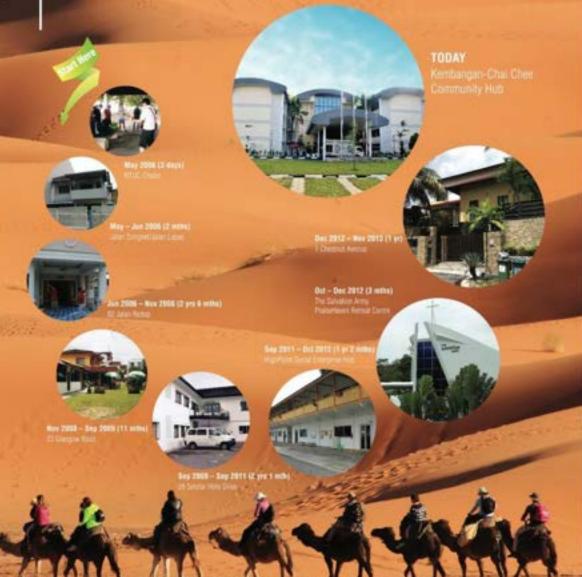

In 2009, God showed us a glimpse of the promised land, giving us that which would keep us alive for the journey.

Finally. The Promised Land. Home.

God led us to a fulfillment of his promise. We crossed over into the promised land in 2014. This will be home for the next 15 years. Home for the men. Home for the hearts.

God – the promise keeper, the home of our souls.

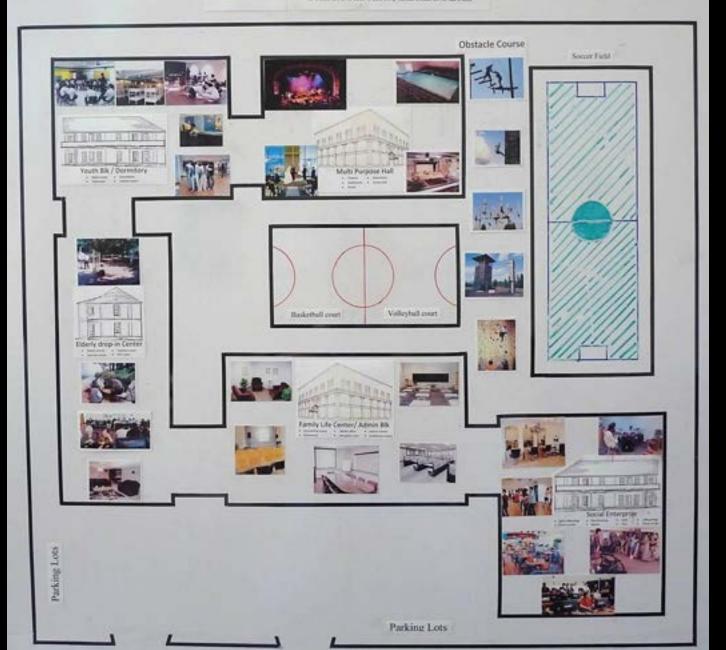

A nomadic life ends in a promised land!
